AUTOCLEAN DISPENSER

- Programmable dispenser operates round-the-clock automatically cleaning fixture surfaces, day and night, at 15, 30, or 60 day refill cycles
- Concentrated foaming action cleans and reduces bacteria growth everywhere the water goes
- Auto clean refill is enzyme-based to help prevent scale build-up in drain pipes
- Cleans and deodorizes toilets and urinals while providing a clean fresh scent for the restroom

Spare the hard work and get a hygienic, fragrant washroom space every time with powerful AK refills. The powerful enzyme, from the dispenser, kills up to 99.9% of the harmful germs and completely sanitizes the WCs and urinals. Effectively removing limescale and blockages from the pipes, this dispenser delivers complete care for your fixtures. Conjoined with a WICK, this dispenser spreads an ambrosial aroma all around. With the range of AK dispensers, you receive the 5-in-1 washroom hygiene solution.

FAB 30 URINAL SCREENS

- Pharmaceutical valve technology adapted for accurate enzyme dispersal.
- Hygiene neutralizer incorporated for maximum odour elimination.
- Refill can last up to 180 days. Refill life can vary with the dispenser settings.

- The Fab Urinal screens are impregnated with high-quality fragrances for a fresh-smelling washroom
- Flexible design fits any urinal, while the transparent screen discreetly protects the drain by trapping debris
- The unique formulation of Fab 30 leaves only fresh scent in the air Innovative that lasts up to 30 days

AUTOMATIC HAND WASH/ HAND SANITIZER DISPENSER

- Fully automatic and touch-free operation to avoid the second cross-infection
- Innovative non-drip design eliminates waste and countertop mess
- Perfect for bathrooms, kitchens, parks, schools, hospitals, hotels, and restaurants
